

## **TARDY SWEEPS and IDs**

The Administrators at Carter Middle School perform unannounced tardy sweeps of the hallways during the school day to help eliminate students entering class late and causing a disruption during instruction.

During a tardy sweep any student found in the hallway, or entering a classroom late, will be issued a detention. The detentions will be held in the morning before school starts on an assigned day.

Please support our efforts in order to have students in their seats at the start of each class.

---

Students must wear IDs in school **AT ALL TIMES**. If students have lost their ID, they must purchase a new one in the Counseling Center during school hours. The cost for a new ID is \$5. The cost for a plastic cover \$2, and a lanyard is \$1.
